### FOUNDER'S DAY COMMEMORATION LECTURE

The Montreal Young Men's Christian Association announces the third Founder's Day Lecture to take place Friday, October 16th in Birks Hall, 1435 Drummond St. The lecture immediately follows a dinner which begins at 6:30 p.m.

Guest lecturer is Dr. Paul M. Limbert, B.A., B.D., PH.D., L.L.D., L.H.D., D.D. Following professorial posts at Teachers College Columbia University, Dr. Limbert became Professor of Education and Director of Graduate Education at Springfield College, and was later named President. In 1952 he became Secretary General of the World Alliance of the YMCA in Geneva, Switzerland. In 1963 Dr. Limbert accepted the position of Executive Secretary of the YMCA's Blue Ridge Assembly in North Carolina.

He is the author of three books and numerous articles and papers. His latest book, "New Perspectives for the YMCA" is the subject of much serious consideration by contemporary YMCA leaders.

This special event, which honors Sir George Williams, founder of the YMCA in London, 1844, is convened annually to bring before the leaders of the Montreal Association, scholars and educators of international stature.

Members of press, radio and television are cordially invited to attend Dr. Limbert's address.
